

REPARO RESERVA CABERNET SAUVIGNON

Variety: cabernet sauvignon 100%

Harvest: hand-picked grapes.

Time in barrels: during 8 months in French oak barrels

Alcohol: 14.00%V/V.

VINEYARDS

Vineyards of high density of plants and high quality.

Soil: sandy, good drainage, deep.

Altitude: 2,297 feet asl.

Climate: Desert like weather, with less than 200 mm of rainfall a year. Warm climate with a wide difference of temperature between daytime and night time.

ELABORATION

Crusher: destemmed.

Fermentation: selected yeast.

Maceration: 28 days.

Tasting notes

Intense red color.

In nose, it has notes of cherry liquor, spices and subtle hints of leather and toasted bread.

In mouth, it is full-bodied, with firm tannins, finely integrated to oak.
