

REPARO RESERVA BONARDA

Variety: bonarda 100%

Harvest: hand-picked grapes.

Time in barrels: during 6 months in French barrels.

Alcohol: 13.00%V/V.

VINEYARDS

Vineyards of high density of plants and high quality.

Soil: sandy, good drainage, deep.

Altitude: 2,297 feet asl.

Climate: Desert like weather, with less than 200 mm of rainfall a year. Warm climate with a wide difference of temperature between daytime and night time.

ELABORATION

Crusher: destemmed.

Fermentation: selected yeast.

Maceration: 21 days.

Tasting notes

Outstanding red color with ruby hues.

Aromas of candied fruits, leather and spices.

Complex to the palate, robust and elegant, with ripe tannins.
